President's Message

EXECUTIVE MEETING DATES

- December 5, 2009
- February 27, 2010
- May 1, 2010
(Thompson)
- June 12, 2010

Vivian McKenzie
President, 2009-10

Welcome back to all new and returning teachers! This year promises to be an interesting one for the FTA. It is a bargaining year and we are ready to go at it. Dean, Michael, Aaron, and Larry, our bargaining committee, will be working hard to bargain on behalf of members and they expect it to be a long negotiation.

As always, the FTA is here to help you. If you are having difficulties, or are unsure what your rights are as a teacher, you can call any one of us or any MTS representative at any time. Many of the FTA members have years of experience and can help with advice or action on your behalf. Be assured that all matters will be kept confidential and your privacy is respected.

Bargaining is, of course, our main focus this year, but we are also working on other issues that concern teachers. Violence against teachers has been an issue in recent years and is an ongoing topic of discussion. We are involved with the Supervision for Growth process which is being revamped to make better use of resources and make the implementation process easier and more effective. We are also working with Frontier to improve teacher home security. It is important that teachers feel safe not only at school, but at home as well.

I hope everyone has a great year and I am looking forward to being your president in 2009-2010.

PROPOSED CHANGES TO CONSTITUTION

Joanne Stover, Ad Hoc Chair

The following changes to the Constitution of the Frontier Teachers' Association have been proposed. These changes are to help in the election process, extending the deadline to make it easier for both nominations and voting times. Also, the former Equality in Education has changed their title to Equity and Justice, and we are including the re-titling as well.

Changes:

Article 11.01: Standing Committees - (f) change Equality in Education Committee to Equity and Social Justice

Article 11.04 (f) same change from Equality in Education to Equity and Social Justice

Article 16.04 Nominations and biographical information shall be in the hands of the Nominating Committee chairperson no later than twelve noon, the Wednesday following spring break. (a change from the first day following spring break)

Article 16.05 Voting will be conducted no later than twelve noon on the first Wednesday in May. (a change from the first day of May)

If anyone has any objections to these changes, please contact your FTA representative. The new constitution will be printed up and distributed to schools as soon as the changes are accepted.

Bargaining Report

Welcome to 2009-2010!

The bargaining committee has worked hard on teachers' behalf putting together an opening package. That package was presented to the Board in September. Our next meeting is October 28 & 29th. This is when we will see the Board's opening package and real bargaining begins.

Thank you to all that submitted proposals and comments to the committee last year. Since we bargain in good faith and not in the Press, Negotiation reports will be brief, primarily about future meeting dates and such. I look forward to a tough round of bargaining, and would not expect a settlement in the near future.

Dean Elliott, Bargaining Chair

10-Year Leave Applications

Information supplied by Heather Paul, Employee Benefits Chairperson

One of the Benefits the Division affords is a leave of absence after 10 years of service with a portion of your pay which amounts to about 1/3 of gross salary minus taxes and benefits (E.3.N-R #6).

For all the details check out the Division policy on the Frontier website. www.frontiersd.mb.ca under the heading Governance and Leadership / Policy / E-Personnel section, E.3.N & E.3.N-R

There is also a provision for an 8 year leave as well but you will have to return to the Division for 2 more years service to make up the 10 years.

If you have 8-10 years service and are planning to use this benefit the deadline for application is: **December 15, 2009**

Also keep in mind this regulation from the policy:

Applications for special leave must be submitted in writing, on the approved application form, to the Chief Superintendent and copied to the appropriate Area Superintendent, the Frontier Teachers' Association (FTA) President, the Principal, and the local school committee. For purposes of the application form, the Principal's signature is for acknowledgement only.

Check out the MTS Website at mbteach.org

Here you will find links to *Solidarity*, the bargaining newsletter as well as salary comparisons and a copy of our current contract.

(check out other division's contracts as well!)

What's all in my Blue Cross Plan?

For new and returning teachers this is a busy time and papers and books get filed away to who knows where. As your FTA/Employee Benefits rep I harp on it every article to keep your important papers in a safe and readily accessible place. This can save you hours of agony, stress and worry if issues ever arise. If it is too late for filing you can always call me, my contact numbers are in this issue, keeping in mind I will have to deal with FTA issues after school hours.

Now there is a relatively new way of finding out some benefit information on line with Blue Cross' "e service" www.mb.bluecross.ca. You can easily register with your Blue cross contract and group numbers from your Blue Net card. If you don't have a card yet you can

Prescription Glasses

Interested in good quality inexpensive (not cheap) prescription eye-glasses? Check out this website! This is not an FTA endorsement but a personal opinion of a teacher.

I heard about www.zennioptical.com this spring and tried it out.

The web site has very detailed information about purchasing glasses on line. I was very pleased with my pair that had all the bells and whistles including high indexing for my strong prescription for \$86.96 Canadian funds.

Check it out!
